

PWYLLGOR CYFLAWNI RHAGLENNI CYHOEDDUS

Tue 06 February 2024, 10:40 - 13:20

Microsoft Teams

Agenda

10:40 - 10:455 min

1. MATERION RHAGARWEINIOL

1.1. Croeso a chyflwyniadau

I'w Nodi

Cadeirydd

1.2. Ymddiheuriadau am Absenoldeb

I'w Nodi

Cadeirydd

1.3. Datganiadau o Fuddiannau

I'w Nodi

Cadeirydd

1.4. Materion sy'n codi

I'w Nodi

Cadeirydd

10:45 - 10:450 min

2. AGENDA GYDSYNIO

2.1. Cofnodion y Cyfarfod Diwethaf

I'w Gymeradwyo

Cadeirydd

 Minutes2 Welsh Translation.pdf (15 pages)

2.2. Blaengynllun Gwaith

I'w Nodi

Ysgrifennydd y Bwrdd

 2.2 Forward Workplan.pdf (4 pages)

2.3. Cylch Busnes Blynyddol y Pwyllgor

Ysgrifennydd y Bwrdd

I'w Gymeradwyo

 2.3 Committee Cycle of Business.pdf (4 pages)

 2.3i Programmes Delivery Committee Annual Cycle of Business 23_24 24_25 V1.pdf (3 pages)

10:45 - 12:2095 min

3. PRIF AGENDA

3.1. Cofnod Gweithredu

I'w Draffod

Cadeirydd

 Action Log (1).pdf (1 pages)

3.2. Adborth o Sesiwn Ddatblygu'r Pwyllgor – Diweddariad ar Lafar

I'w Draford

Cyfarwyddwr Gweithredol Strategaeth

3.3. Adroddiad Trosolwg Rhaglenni

I'w Draford

Cyfarwyddwr Gweithredol Strategaeth

 3.3 Programmes Overview Report.pdf (6 pages)

3.4. Y Gofrestr Risg Gorfforaethol

I'w Draford

Ysgrifennydd y Bwrdd

 3.4 Corporate Risk Register Report.pdf (8 pages)

 3.4i Appendix A DHCW Corporate Risk Register.pdf (8 pages)

Egwyl-15 munud

12:20 - 13:20

60 min

4. AGENDA SICRWYDD

4.1. Adroddiadau Sicrwydd Blynyddol

Ar gyfer Sicrwydd

4.1.1. System Wybodaeth Gofal Dwys Cymru

Ar gyfer Sicrwydd

Cyfarwyddwr Gweithredol Strategaeth

 4.1i Welsh Intensive Care Information System Assurance Report.pdf (9 pages)

4.1.2. Gweinyddiaeth Cleifion Cymru WPAS

Ar gyfer Sicrwydd

Cyfarwyddwr Gweithredol Gweithrediadau

 4.1ii Welsh Patient Administration Assurance Report.pdf (6 pages)

 4.1iii WPAS CTM Bridgend Transition.pdf (6 pages)

13:20 - 13:20

0 min

5. MATERION I GLOI

5.1. Unrhyw Faterion Brys Eraill

I'w Draford

Cadeirydd

5.2. Adroddiad Crynhoi Cynnydd y Pwyllgor i'r Bwrdd SHA

I'w Nodi

Cadeirydd

5.3. Dyddiad y cyfarfod nesaf: 14 Mai 2024

I'w Nodi

Cadeirydd

PWYLLGOR CYFLAWNI RHAGLENNI – CYHOEDDUS

COFNODION, PENDERFYNIADAU A CHAMAU GWEITHREDU I'W CYMRYD

 09:30–12:30

 9 Tachwedd 2023

 MS Teams

CAM GWEITHREDU A-01 Yn ogystal, byddai sesiwn Datblygu'r Pwyllgor yn cael ei chynnal i drafod a chadarnhau cwmpas y Rhaglenni y byddai'r Pwyllgor yn eu goruchwyllo i ddechrau, gan gydnabod y byddai hyn yn newid dros amser, a byddai'r rhestr hon yn cael ei dwyn yn ôl i gyfarfod nesaf y Pwyllgor i'w nodi.</p> <p>Penderfynodd y Pwyllgor Cyflawni Rhaglenni wneud y canlynol:</p> <p>CYMERADWYO Cylch Gorchwyl y Pwyllgor a NODI'R blaengynllun gwaith.</p> | | Pwyllgor yn y dyfodol gyda phapur yn cadarnhau'r cynnig yng nghyfarfod nesaf y Pwyllgor |
| 2.3 | <p>Adroddiad Trosolwg Rhaglenni</p> <p>Hysbysodd SJ aelodau'r Pwyllgor fod un newid wedi'i</p> | Trafodwyd | Dim i'w nodi |

wneud i statws RAG cyffredinol y Portffolio Trawsnewid Meddyginiaethau Digidol ers cyhoeddi'r papurau'n wreiddiol. Cyhoeddwyd hwn yn wreiddiol gyda statws RAG cyffredinol o WYRDD; ers hynny, mae hwn wedi'i gywiro i fod yn statws OREN/GWYRDD.

Trosolwg o'r rhaglenni:

1. Crynodeb dangosfwrdd: Darparodd Ifan Evans (IE), Cyfarwyddwr Gweithredol Strategaeth Ddigidol, y diweddariad canlynol.

Ar hyn o bryd, roedd 11 o raglenni wedi'u nodi y gellir eu dosbarthu fel rhai mawr ac sydd wedi'u cynnwys yn y dangosfwrdd. Roedd y dangosfwrdd yn dangos y sgôr unigol o ran llinell amser, cwmpas, adnoddau, a sgôr gyffredinol. Defnyddiodd bedwar band lliw i ddangos symudiad y rhaglenni. Cadarnhawyd y rhain fel Coch, Oren, Oren/Gwyrdd, Gwyrdd. Cadarnhaodd IE fod y rhaglenni'n gwneud eu hunanasesiad RAG eu hunain; roedd rhywfaint o anghysondeb yn y dull RAG ar gyfer sgorio; fodd bynnag, byddai gwaith yn cael ei wneud gan y swyddfa rheoli portffolios i ddarparu arweiniad clir i raglenni wrth symud ymlaen.

2. Darparodd Sam Hall, Cyfarwyddwr Gwasanaethau Digidol Sylfaenol, Cymunedol ac Iechyd Meddwl (SH), ddiweddariad ar System Wybodaeth Gofal Cymunedol Cymru:

System Wybodaeth Gofal Cymunedol Cymru (WCCIS) oedd y galluogwr digidol allweddol ar gyfer trawsnewid sylfaenol ym maes iechyd a gofal cymdeithasol, yn unol â pholisi'r llywodraeth:

RAG cyffredinol: Oren

Roedd paratoadau cam dau ar gyfer gosod platfform newydd yn parhau i fynd rhagddynt. Roedd y rhaglen yn y cyfnod cynllunio/darganfod. Roedd rhai cerrig milltir cyfredol o fewn y rhaglen yn heriol. Paratoi ar gyfer Cam dau oedd y prif beth y gellid ei gyflawni ar gyfer y cyfnod nesaf. Roedd gan y rhaglen fewnol adnoddau digonol ar gyfer y gweithgarwch gweithredol cyfredol.

3. Darparodd IE ddiweddariad ar Famolaeth Digidol Cymru (DMC)

Amcan y rhaglen oedd darparu datrysiad mamolaeth digidol ledled Cymru sy'n cefnogi clinigwyr ac yn grymuso menywod a phobl sy'n geni i gymryd rhan mewn gofal diogel o ansawdd uchel sy'n cefnogi canlyniadau a phrofiadau gwell.

RAG cyffredinol: Oren Gwyrdd.

Roedd y rhaglen hon yn y cam darganfod/datblygu, gydag achos busnes amlinellol (OBC) yn cael ei ddatblygu, i gefnogi'r broses gaffael a hefyd i sicrhau bod holl ofynion y Bwrdd Iechyd/Ymddiriedolaeth yn cael eu cynnwys.

Mae cynllun rhaglen lefel uchel wedi'i ddeall, ond mae amserlenni cyffredinol yn dibynnu ar ddechrau caffael. Mae cwmpas y rhaglen wedi'i ddiffinio'n dda yn ystod y gwaith darganfod.

Mae'r rhaglen wedi sicrhau cyllid am 4 blynedd; fodd bynnag, mae rhai bylchau wedi'u nodi ar gyfer 25/26 a 26/27 o ran adnoddau ar gyfer timau cenedlaethol a gweithredu lleol. Bydd datblygu'r achos busnes yn pennu gofynion o ran adnoddau yn fwy manwl.

Bydd y rhaglen yn cael ei chyflwyno i Fwrdd SHA am drafodaeth ar y cynllun ariannu hirdymor.

4. Darparodd SH ddiweddariad ar ofal Llygaid.

Amcanion y rhaglen yw cefnogi'r gwaith o gyflawni'r Bil diwygio Optometreg (Medi 2022) a rheoliadau newydd (Medi 2023), gan gynnwys darparu gofal a rennir rhwng gwasanaethau optometreg ac offthalmoleg, ac ar draws ffiniau byrddau iechyd trwy ddarparu systemau digidol a data TG. Y prif bethau i'w cyflawni yn hyn o beth yw e-bost, O365, atgyfeiriadau electronig ar gyfer Optometryddion ac EPR ar gyfer gwasanaethau Offthalmoleg.

Atgoffodd SH aelodau'r Pwyllgor fod y rhaglen hon wedi'i throsglwyddo o Fwrdd Iechyd Prifysgol Caerdydd a'r Fro i DHCW ar 1 Mehefin 2023.

RAG cyffredinol: Coch.

Y rheswm pam mae'r RAG yn goch oedd oherwydd bod y rhaglen yn dal i fod yn y cyfnod atal ac ailosod, y rhagwelwyd y byddai'n cael ei gwblhau erbyn diwedd mis Hydref, yn dilyn trosglwyddo'r rhaglen o Fwrdd Iechyd Prifysgol Caerdydd a'r Fro i DHCW ar 1 Mehefin 2023; fodd bynnag, cytunwyd ar estyniad tan ddiwedd mis Tachwedd gyda Llywodraeth Cymru. Mae'r Pwyllgor Archwilio a Sicrwydd wedi gofyn i Archwilio Mewnol gynnal adolygiad brys o'r rhaglen. Roedd hwn yn cael ei gychwyn gan Gaerdydd a'r Fro (CAV), a byddai DHCW yn gweithio'n agos gyda CAV ar ganlyniad yr adolygiad, a hefyd y camau nesaf tuag at ei symud ymlaen.

Er bod y rhaglen yn y cyfnod atal ac ailosod, roedd DHCW wedi datblygu e-bost Office 365/Gwasanaeth Iechyd Gwladol (GIG), a oedd yn yn flaenoriaeth allweddol, gyda'r nod o gael pobl i symud o ddibynnu ar bapur i ddefnyddio e-bost y GIG - Roedd hyn yn mynd yn dda.

Roedd diffyg cyllid ac adnoddau yn bryder mawr ac yn risg i'r gwaith o gyflawni'r rhaglen.

5. Darparodd Sam Lloyd, Cyfarwyddwr Gweithredol Gweithrediadau (SL), yr wybodaeth ddiweddaraf am Raglen Drosglwyddo Pen-y-bont ar Ogwr (Gan gynnwys Dadgyfuno System Gweinyddu Cleifion Cymru)

Amcan y rhaglen oedd cefnogi gwaith Rhaglen Trosglwyddo Gwasanaethau TGCh Bwrdd Iechyd Prifysgol Cwm Taf Morgannwg (CTM) Pen-y-bont ar Ogwr i symud cleifion Pen-y-bont ar Ogwr allan o systemau TGCh Bwrdd Iechyd Prifysgol Bae Abertawe (SB) i systemau TGCh CTM yn dilyn newid ffiniau'r bwrdd iechyd ym mis Ebrill 2019.

RAG cyffredinol: Oren:

Roedd yr asesiad effaith cychwynnol wedi'i wneud ac roedd dau ar hugain o Wasanaethau Digidol Cenedlaethol eraill y byddai'r gwaith hwn yn effeithio arnynt. Roedd y gwaith rhagarweiniol i bennu'r cwmpas wedi'i gwblhau. Roedd gwaith y rhaglen wedi'i osod allan i ymgymryd â'r broses o symud data o'r ddau achos W PAS sy'n gysylltiedig â saith trawsnewidiad data gwahanol. Roedd y ddau gam cyntaf wedi'u cwblhau'n llwyddiannus. Bydd cyfres ychwanegol o waith yn cynnwys gweithgareddau profi, integreiddio llawn a throsglwyddo.

Y rheswm pam mae'r llinell amser yn goch oedd oherwydd y llinellau amser y bwriadwyd eu cymryd ar hyn o bryd oedd y gwaith hyd at fis Mai 2025 i'w gwblhau'n llawn. Roedd y cyllid yn ei le tan fis Mawrth 2025. Yr opsiynau a gyflwynwyd yw naill ai ymestyn y cyllid neu ddwyn y gwaith ymlaen. Tynnodd SL sylw at y ffaith mai dyma'r gwaith mudo data mwyaf cymhleth y mae DHCW wedi'i wneud.

6. Cyflwynodd Michelle Sell, Cyfarwyddwr Cynllunio a Pherfformiad / Prif Swyddog Masnachol (MS), ddiweddariad ar System Wybodaeth Gofal Dwys Cymru (WICIS)

Byddai System Gwybodaeth Gofal Dwys Cymru (WICIS) yn system genedlaethol ganolog i reoli'r holl unedau

| | | | |
|--|---|--|--|
| | <p>gofal critigol i oedolion, gan ddarparu dull gofal critigol safonol ledled Cymru. Byddai'r system yn disodli'r holl gofnodion papur cyfredol a systemau gwybodaeth glinigol gofal critigol cyfredol eraill, gan sicrhau y gellir rheoli cofnod llawn y claf mewn un lle.</p> <p>RAG cyffredinol: Oren.</p> <p>Roedd gwaith wedi'i wneud gyda'r partner masnachol a nifer o randdeiliaid ledled Cymru er mwyn cael eglurder ynghylch y gofynion a sut i'w cyflawni. Aethpwyd i'r afael â'r gofynion hynny ac roedd y rhaglen yng nghamau olaf y profion cyn mynd yn fyw. Byddai'r gweithredu cyntaf yn digwydd ym mwrdd iechyd Aneurin Bevan (BIPABM). Fodd bynnag, bu oedi yn yr amserlen wreiddiol oherwydd newidiadau i ofynion sydd angen cael eu datblygu ymhellach ar gyfer integreiddio canlyniadau labordy a'r modiwl therapi cyffuriau.</p> <p>Roedd yr holl brofion a dilysu canolog wedi'u cwblhau ac erbyn hyn, y Bwrdd Iechyd fyddai'n penderfynu a ddylid mynd yn fyw ai peidio.</p> <p>Cam nesaf y cynllun oedd rhoi'r datrysiad ar waith ar draws gweddill y byrddau iechyd yng Nghymru.</p> <p>Oherwydd estyniad i'r rhaglen (canol 2025), mae angen staff i gefnogi'r broses gyflwyno am 12 mis ychwanegol. Cytunwyd y cynhelir sgwrs gyda Llywodraeth Cymru am y cyllid ar gyfer 2025/2026 y flwyddyn nesaf.</p> <p>7. Darparodd MS ddiweddariad ar Gaffael System Gwybodeg Radioleg (RISP)</p> <p>Amcan y rhaglen hon oedd caffael systemau System Archifo Lluniau a Chyfathrebu (PACS), System Gwybodaeth Radioleg (RIS) a System Rheoli Dosau Cleifion (PDMS) newydd ar gyfer pob bwrdd iechyd yng Nghymru, oherwydd bod y contract PACS presennol yn dod i ben yn 2023/2024.</p> <p>Roedd y rhaglen wedi trosglwyddo i DHCW o Gydweithrediaeth y GIG ym mis Ionawr 2023.</p> <p>RAG cyffredinol: Oren.</p> <p>Rôl DHCW fyddai cefnogi'r gwaith o ddarparu datrysiad canolog, gan weithio'n agos gyda'r byrddau iechyd a rheoli meysydd fel integreiddio i'r systemau ehangach er mwyn i wybodaeth allu llifo i mewn ac allan o radioleg yn ôl yr angen.</p> <p>Adroddwyd am gynnydd da er gwaethaf rhai heriau</p> | | |
|--|---|--|--|

cynnar. Roedd cynllun cytunedig wrth symud ymlaen. Roedd disgwyl i'r contract terfynol gyda Bwrdd Iechyd gael ei gymeradwyo'n fuan.

Roedd adnoddau wedi'u nodi fel risg, ond roedd cynllun i roi'r adnoddau angenrheidiol ar waith. Unwaith y bydd yr adnoddau hynny ar waith, bydd y RAG yn cael ei adolygu eto.

8. Darparodd MS ddiweddariad ar y System Rheoli Gwybodaeth Labordy (LIMS 2.0)

RAG cyffredinol: Oren.

Amcan y rhaglen oedd cyfrannu at ddatganiad o fwriad Patholeg Llywodraeth Cymru trwy ddatblygu gwasanaethau patholeg diogel, cynaliadwy a safonol trwy systemau a gwasanaethau technoleg gwybodaeth a chyfathrebu o un pen i'r llall.

Trosglwyddwyd y rhaglen hon i DHCW o Raglen Gydweithredol y GIG ym mis Ionawr 2023.

I grynhoi, roedd llwyfan o ran y system a oedd yn cael ei defnyddio ar hyn o bryd fel un system ledled Cymru i gefnogi gwasanaethau labordy. Roedd penderfyniad wedi'i wneud i newid y cyflenwr er mwyn sicrhau trosglwyddiad llyfn a diogel i ddatrysiaid newydd o fewn yr amserlen y cytunwyd arni.

Disgwyliwyd y bydd y statws RAG yn newid erbyn i gyfarfod nesaf y Pwyllgor gael ei gynnal oherwydd bod y cyflenwr newydd a chynlluniau cadarn yn eu lle.

9. Darparodd IE ddiweddariad ar y Portffolio Trawsnewid Meddyginiaethau Digidol (DMTP)

Roedd y rhaglen yn cynnwys Portffolio Trawsnewid Meddyginiaethau Digidol (DMTP), a oedd yn cynnwys y Prosiect Cofnod Meddyginiaethau a Rennir (SMR), y Rhaglen Gwasanaeth Presgripsiwn Electronig (EPS), y Rhaglen e-ragnodi Ysbyty (ePMA), a'r Prosiect Mynediad Cleifion (PA).

RAG cyffredinol: Oren Gwyrdd.

Ymddengys fod cyflawni llwyddiannus yn debygol. Roedd oedi posibl wedi'i nodi oherwydd dibyniaethau allweddol ar gyflenwyr a rhaglenni eraill.

Roedd cynnydd da wedi'i wneud mewn perthynas â'r rhaglen EPMA.

| | | | |
|--|--|--|--|
| | <p>Llongyfarchodd IE y DMTP ar ddwy wobwr a enillwyd ar 8 Tachwedd.</p> <p>10. Rhoddodd Rhidian Hurle, Cyfarwyddwr Meddygol Gweithredol (RH), ddiweddariad ar y Rhaglen Gwybodeg Canser (CIP)</p> <p>RAG cyffredinol: Coch.</p> <p>Amcan y rhaglen oedd disodli'r hen System Gwybodaeth Rhwydwaith Canser Cymru (Canisc) nad oedd yn cael ei chefnogi bellach. Byddai'r datrysiad newydd yn cael ei ddatblygu ar gynhyrchion presennol megis System Porth Clinigol Cymru a System Gweinyddu Cleifion Cymru.</p> <p>Cefndir:</p> <p>Canisc oedd yr enw cyffredin ar System Gwybodaeth Rhwydwaith Canser Cymru; aeth yn fyw ym 1994, ac roedd yn dal i fod yn weithredol.</p> <p>Amcan yr achos busnes gwreiddiol oedd dileu'r ddibyniaeth ar y system, a oedd yn ymyrryd â'r gallu i ddarparu parhad gofal a gwasanaeth.</p> <p>Cymeradwywyd yr achos busnes ym mis Tachwedd 2019; cyn gynted ag y rhoddwyd yr achos busnes ar waith, dechreuodd y pandemig COVID-19, a gafodd effaith ar y llinellau amser.</p> <p>Ym mis Tachwedd 2022, dilëwyd dibyniaeth Canolfan Ganser Felindre ar Canisc wrth i'r Ymddiriedolaeth symud i WPAS ac i WCP.</p> <p>Rhannwyd y rhaglen yn dair rhan:</p> <ol style="list-style-type: none"> 1. Dibyniaeth ar gyfer darparu canser 2. Dibyniaeth ar gyfer gofal lliniarol 3. Gwasanaethau colonosgopi a sgrinio <p>Mae nifer o gymhlethdodau wedi'u nodi ar draws y tri gwasanaeth.</p> <p>Byddai angen mireinio a chwmpas ar Ganser Cam 2. Byddai angen cyllid am 2.5 mlynedd ychwanegol, yn ôl amcangyfrif lefel uchel.</p> <p>Roedd gwaith agos yn cael ei wneud gyda'r bwrdd gofal diwedd oes ac roedd dibyniaeth ar integreiddio i systemau niferus ledled Cymru i sicrhau bod cofnodion cleifion yn ddiogel.</p> | | |
|--|--|--|--|

| | | | |
|-----------------------------|---|-------------------|--------------|
| | <p>Adroddwyd bod cynnydd da wedi'i wneud o ran y gwaith o ddarparu rheoli nodiadau achos gofal cleifion, yn ogystal â chynnydd mewn perthynas â dylunio pensaernïol. Mae'r cofnod gwella a gofal wedi cael ei ailystyried gyda defnyddwyr y gwasanaeth ac roedd ar ganol cael ei gymeradwyo cyn Nadolig 2023.</p> <p>Penderfynodd y Pwyllgorau Cyflawni Rhaglenni wneud y canlynol:</p> <p>DERBYN A THRAFOD Adroddiad Trosolwg y Rhaglen.</p> | | |
| 2.4 | <p>Y Gofrestr Risg Corfforaethol (Risg Rhaglen)</p> <p>Rhoddodd CD ddiweddariad ar y Gofrestr Risg Gorfforaethol.</p> <p>Bryd hynny, roedd saith risg corfforaethol ar y gofrestr yn ymwneud â'r Pwyllgor. Dosbarthwyd tri ohonynt yn rhai preifat, ac felly nid oeddent wedi'u cynnwys ym mhapurau'r cyfarfod. Roedd pedwar ohonynt yn risgiau cyhoeddus ac fe'u cadarnhawyd fel a ganlyn:</p> <ol style="list-style-type: none"> 1. DHCW0322- Ariannu cam tri'r Adnodd Data Cenedlaethol (NDR) 2. DHCW0324- Argaeledd adnoddau i gefnogi WICIS 3. DHCW0323- Y gost ar gyfer trosglwyddo a chymorth parhaus ar gyfer ap GIG Cymru. <p>Penderfynodd y Pwyllgorau Cyflenwi Rhaglenni wneud y canlynol:</p> <p>DDERBYN a THRAFOD y Gofrestr Risg Gorfforaethol</p> | Trafodwyd | Dim i'w nodi |
| RHAN 3 – ADOLYGIAD SICRWYDD | | | |
| 3.1 | <p>System Wybodaeth Gofal Cymunedol Cymru</p> <p>Cyflwynodd SH a Lee Mullin, Cyfarwyddwr Rhaglen WCCIS, sleidiau ar System Wybodaeth Gofal Cymunedol Cymru.</p> <p>Yn ystod y cyflwyniad, amlygwyd y pwyntiau canlynol:</p> <ul style="list-style-type: none"> ➤ Ers mis Tachwedd 2021, roedd y rhaglen wedi bod yn destun adolygiad strategol, a fu'n arwain at ailosod y rhaglen yn ôl argymhellion. Cynhaliwyd gwaith ymgynghori ac ymgysylltu pellach â phartneriaid a rhanddeiliaid yn dilyn hyn. Ar hyn o bryd, roedd y rhaglen yn dechrau ar gam nesaf ei gwaith; elfen allweddol o hyn oedd opsiynau ar gyfer newid o amgylch datrysiad digidol y rhaglen. | Rhoddwyd sicrwydd | Dim i'w nodi |

| | | | |
|-----|--|-------------------|--------------|
| | <p>➤ Allan o 29 o sefydliadau, mae 20 o leoliadau gweithredol ledled Cymru ar hyn o bryd, 19 yn fyw, sy'n cynnwys Awdurdodau Lleol a Byrddau Iechyd sy'n defnyddio gwasanaethau dan gontract.</p> <p>➤ Golwg Rhaglen Hirdymor:</p> <ul style="list-style-type: none"> ○ Darparu platfform ar gyfer galluogi trawsnewid digidol. ○ Ehangu'r cofnod iechyd a gofal digidol a'r defnydd o ddulliau digidol i wella iechyd a gofal. ○ Darparu cynhyrchion a gwasanaethau digidol o ansawdd uchel. ○ Ysgogi gwell gwerth a chanlyniadau trwy arloesi. <p>➤ Cam Nesaf Rhaglen WCCIS:</p> <ul style="list-style-type: none"> ➤ Cynhyrchu drafft ar gyfer achos busnes a chynllun caffael llawn i'w cymeradwyo gan Lywodraeth Cymru erbyn Nadolig 2023. <p>Penderfynodd y Pwyllgorau Cyflawni Rhaglenni wneud y canlynol:</p> <p>NODI Adroddiad System Wybodaeth Gofal Cymunedol Cymru ar gyfer SICRWYDD.</p> | | |
| 3.2 | <p>Gwasanaethau Digidol ar gyfer Cleifion a'r Cyhoedd</p> <p>Cyflwynodd Matt Cornish, Cyfarwyddwr Rhaglen DSPP (MC), ddiweddariad ar ddatblygiad Ap GIG Cymru.</p> <p>Cyfnodau'r rhaglen:</p> <ol style="list-style-type: none"> 1. Blwyddyn 1 2022/23- Datblygiad 2. Blwyddyn 2 2023/24- Defnydd 3. Blwyddyn 3 2024/25- Ehangu <p>Rhannwyd fideo arddangos, https://www.youtube.com/watch?v=JvAHkQzxy9U</p> <p>Roedd cyllid gan Lywodraeth Cymru ar gael tan fis Mawrth 2025. Roedd achos busnes am gyllid ychwanegol ar ganol cael ei ddatblygu.</p> | Rhoddwyd sicrwydd | Dim i'w nodi |

| | | | |
|--------------------------|---|-------------------|--------------|
| | <p>Penderfynodd y Pwyllgorau Cyflawni Rhaglenni wneud y canlynol:</p> <p>NODI'r adroddiad ar gyfer SICRWYDD.</p> | | |
| 3.3 | <p>Adnodd Data Cenedlaethol</p> <p>Cyflwynodd Rebecca Cook, Cyfarwyddwr Rhaglen yr NDR (RC), sleidiau'r NDR, ac amlygodd y canlynol:</p> <p>Roedd Rhaglen yr Adnodd Data Cenedlaethol (NDR) yn dangos ymrwymiad hirdymor i wella rhyngweithrededd pensaernïaeth ddigidol iechyd a gofal cymdeithasol yn barhaus ac roedd yn ofyniad sylfaenol i alluogi un cofnod iechyd a gofal cymdeithasol digidol.</p> <p>Roedd risgiau'n cynnwys:</p> <p>Sefyllfa Ariannol GIG Cymru – gallai pwysau ar lefel y cyllid ar gyfer y rhaglen barhaus effeithio ar gyflymder y cyflawni.</p> <p>Defnyddio Data Gofal Sylfaenol – Os na ellir diffinio set glir o ddibenion i gasglu a phrosesu data dinasyddion o Ofal Sylfaenol, ni fydd y rhaglen yn gallu darparu elfennau pwysig o gofnod gofal a rennir sydd wedi'i ddatblygu'n llawn na chreu adnoddau gwybodaeth sydd eu hangen ar gyfer gwella gwasanaethau, gwerth ym maes iechyd neu ymchwil ac arloesi.</p> <p>Roedd pennu sail gyfreithiol ar gyfer y defnydd eilaidd o ddata yn her. Mae'r rhaglen yn anelu at gyflwyno mewnwelediad a gwerth yn gyflym trwy gysylltu ac aildefnyddio data. Nid oedd modd deall eto pa mor gyflym y byddai'r rhain yn cael eu pennu. Nododd CD y byddai'r Pwyllgor Llywodraethu a Diogelwch Digidol yn cael adroddiad manwl ar risg yr Addewid Data yng nghyfarfod nesaf y Pwyllgor ym mis Chwefror.</p> <p>Roedd yn parhau i fod ymgysylltu rhagorol â sefydliadau partner. Er mwyn cyflymu'r gwaith cyflawni, byddai gwaith ymgysylltu â sefydliadau iechyd a gofal GIG Cymru yn cael ei gynyddu i barhau i adeiladu ar yr hyn a ddysgwyd eisoes (e.e., modelau rhagweld i baru capasiti â galw; codio clinigol awtomatig i alluogi mewnwelediad cyflymach).</p> <p>Penderfynodd y Pwyllgorau Cyflenwi Rhaglenni wneud y canlynol:</p> <p>NODI'r adroddiad ar gyfer SICRWYDD.</p> | Rhoddwyd sicrwydd | Dim i'w nodi |

| Recommendation | The Committee is being asked to |
| APPROVE the DHCW Programmes Delivery Committee Annual Cycle of Business. | |

Programmes Delivery Committee

Cycle of Business (1 April 2024 – 31 March 2025)

The Programmes Delivery Committee should, on annual basis, receive a cycle of business which identifies the reports which will be regularly presented for consideration. The annual cycle is one of the key components in ensuring that the Programmes Delivery Committee is effectively carrying out its role.

The Cycle of Business covers the period 1st April 2024 to 31st March 2025.

The Cycle of Business has been developed to help plan the management of Committee matters and facilitate the management of agendas and committee business.

The principal role of the DHCW Board is set out in the Standing Orders 1.0.1.

The Committee is an Independent Member Committee of the Board and has no executive powers, other than those specifically delegated in the Terms of Reference.

The purpose of the Committee is to advise and assure the Board on whether effective arrangements are in place with regard to DHCW major programmes.

| 2.5 | Laboratory Information System 2.0 (LIMS2.0) | ↔ | | | | | | | | | |

4 SPECIFIC MATTERS FOR CONSIDERATION BY THIS MEETING (ASSESSMENT)

- 4.1 The **National Data Resource** remains green overall - however there are recruitment challenges impacting on timelines and timely spend.
- 4.2 Three Programmes are amber/green. **Digital Services for Patients and the Public** - One GP practice supplier deployment is complete. The project is addressing a spike in public feedback on ID verification. Funding for transition to service is outstanding. The **Bridgend Transition Programme** - activities are progressing as expected, however, further discussions with Swansea Bay and Cwm Taf Morgannwg are required to finalise the migration scope and timelines. **Digital Medicines Transformation Portfolio** - successful delivery appears probable but continuing attention will be needed to ensure risks do not materialise.
- 4.3 Four programmes are amber/red. The **Digital Maternity Cymru** programme has a delay in order to develop the Outline Business Case to support the procurement start and ensure health boards buy in to the programme. **Radiology** - A revised implementation plan has been agreed, resulting in the programme extending by 12 months with an extension with the current supplier for 4 health boards which will mean dual running payments to suppliers for a period of time. **Laboratory Information System 2.0** – Overall timelines are green reflecting good progress in the system delivery. Concerns remain regarding the tight timescales and the availability of resources within the health boards. **Welsh Community Care Information System** timelines are challenging including making iterative developments to the current solution.
- 4.4 Three Programmes are Red. **Welsh Intensive Care Informatics System** – Aneurin Bevan health board go live has been rescheduled pending completion of user testing and training. **Cancer Informatics Solution** Phase 2 prioritised items require refinement and the impact on funding approach needs to be resolved. **National Digital Eye Care Programme** - the commercial review recommends against novating the contract. These circumstances have given rise to intricate strategic challenges, necessitating ongoing collaboration with stakeholders.

5 KEY RISKS / MATTERS FOR ESCALATION TO BOARD / COMMITTEE

5.1 Please note the following escalations to the committee

| Ref | Project / Programme | Month Escalated | Type | Escalation Destination | Escalation Category | Escalation |
|-----|------------------------------|-----------------|------------|-------------------------------|---------------------|--|
| | Cancer Informatics Programme | Jan 24 | Escalation | Programmes Delivery Committee | | If funding bid is not agreed by WG then the costs of completing the programme and running the service will remain with DHCW next financial year. DHCW has highlighted this risk in its financial position for 2024-25. |

6 RECOMMENDATION

| | |
|--|---------------------------------|
| Recommendation | The Committee is being asked to |
| RECEIVE and DISCUSS the Programmes Overview Report update on status of key programmes managed by DHCW. | |

3 SITUATION / BACKGROUND

- 3.1 The [DHCW Risk Management and Board Assurance Framework \(BAF\) Strategy](#) outlines the approach the organisation will take to managing risk and Board assurance. As part of the Strategy, a committee assignment approach to corporate risk assurance is taken. Therefore, any corporate risks relating to DHCW's major Programmes, within the scope of the Programmes Delivery Committee will be considered by this Committee going forward.
- 3.2 This Committee will have oversight of all Programme risks and therefore portfolio oversight of threats and opportunities in relation to the portfolio level risk profile is an important consideration for the Committee.
- 3.3 Committee members are asked to consider risk, in the context of DHCW Programmes Delivery 'what could impact on the Organisation being successful in the short term (1 – 12 months) and in the longer term (12 – 36 months).
- 3.4 There are wider considerations regarding organisational factors which include, sector, stakeholder, and system factors, as well as National and International environmental factors.

4 SPECIFIC MATTERS FOR CONSIDERATION BY THIS MEETING (ASSESSMENT)

- 4.1 In terms of DHCW's Corporate Risk Register, there are currently 19 risks on the Corporate Risk Register, of which 5 are for the consideration of this Committee. The Risk register presents the full public register with the green highlighted ID numbers representing the 3 public risks assigned to this Committee (DHCW0269 Switching Service – Data Warehouse, DHCW0332 Sustainable Major Programmes funding and DHCW0333 WICIS Implementation Delay) at 2.3i Appendix A with the other 2 classified as private due to their sensitivity which will be considered in the private session of the Programmes Delivery Committee.
- 4.2 Committee members are asked to note the following changes to the Corporate Risk Register as a whole (new risks, risks removed and changes in risk scores):

NEW RISKS (4) – 4 public, 0 Private

| Reference | Name | Primary Risk Domain | Committee Assignment |
|-----------|--------------------------------------|---------------------|-------------------------------|
| DHCW0330 | WCCIS Future Programme Funding | Financial | Programmes Delivery Committee |
| DHCW0331 | Fixed Term Resource Funding | Financial | Audit & Assurance Committee |
| DHCW0332 | Sustainable Major Programmes funding | Financial | Programmes Delivery Committee |
| DHCW0333 | WICIS Implementation Delay | Service Delivery | Programmes Delivery Committee |

RISKS WITH SCORE CHANGES (1) – 0 public, 1 private

There was 1 change in score with 1 reduction during the period

| Reference | Name | Commentary | Committee Assignment |
|-----------|-------------|--|-----------------------------|
| DHCW0318 | **PRIVATE** | Decreased in score due to review of position and current mitigations | Audit & Assurance Committee |

RISKS REMOVED (11) – 7 public, 4 private

| Reference | Name | Commentary | Committee Assignment |
|-----------|---|---|---------------------------------------|
| DHCW0259 | Staff vacancies | Control Measures in place providing mitigation | Audit & Assurance Committee |
| DHCW0278 | **PRIVATE** | Downgraded and closed due to implementation of mitigating actions | Digital Governance & Safety Committee |
| DHCW0279 | **PRIVATE** | Downgraded and closed being managed under DHCW0317 | Digital Governance & Safety Committee |
| DHCW0237 | New Requirements Impact on Resources and Plan | Downgraded as robust mitigation is in place | Digital Governance & Safety Committee |
| DHCW0292 | High concentration of unfunded posts in infrastructure teams | Downgraded to Directorate level due to the mitigation actions in place | Digital Governance & Safety Committee |
| DHCW0323 | Costs for transition to and ongoing operational support/development of the NHS Wales App and platform of services | Linked to overarching risk DHCW0332 for management at Corporate level downgraded to Directorate level for Programme | Programmes Delivery Committee |
| DHCW0322 | NDR Phase 3 Funding | Linked to overarching risk DHCW0332 for management at Corporate level downgraded to Directorate level for Programme | Programmes Delivery Committee |

- 4.3 The Committee are asked to consider the DHCW Corporate Risk Register Heatmap showing a summary of the DHCW risk profile which includes the 2 Significant and 3 Critical risks assigned to the Committee. The key indicates the current position of the risk, future reports will demonstrate the movement since the last risk report to the Committee.

| | | LIKELIHOOD | | | | |
|--------------|------------------|------------|--------------|---|---|--|
| | | RARE (1) | UNLIKELY (2) | POSSIBLE (3) | LIKELY (4) | ALMOST CERTAIN (5) |
| CONSEQUENCES | CATASTROPHIC (5) | | | **DHCW0277 **DHCW0281 **DHCW0282 **DHCW0315 | | |
| | MAJOR (4) | | | DHCW0263: DHCW Functions DHCW0296 – Allergies/Adverse Reactions – Single Source DHCW0313 – Digital Cost Pressure – Service Model Changes DHCW0320 – Citizen and stakeholder trust in use of HSC data | DHCW0300 – Canisic (Screening and Palliative Care) **DHCW0301 DHCW0316 – Technical Debt Accumulation DHCW0329 – Choose Pharmacy – DHCW maintaining funding gap | DHCW0331 – Fixed term resource funding DHCW0332 – Sustainable Major Programmes Funding DHCW0333 – WICIS Implementation Delay |
| | MODERATE (3) | | | DHCW0269 – Switching Service – Data warehouse **DHCW0318 | DHCW0308 – Sustainable funding for NIJAS DHCW0321 – Sustainable funding for WASPI | |
| | MINOR (2) | | | | | |
| | NEGLIGIBLE (1) | | | | | |
| | | | | | | |

★ New Risk ↔ Non-Mover ↓ Reduced ↑ Increased ** Private Risks

- 4.4 Three of the eleven critical risks currently on the Corporate Risk Register are assigned to the Programmes Delivery Committee.
- 4.5 The Committee are also asked to consider of the risks assigned to the Committee, the overview of initial risk score versus current versus target and risks that may be identified for further investigation and action. Those highlighted with a red circle represent those risks with a score increased from their initial scoring, those with a green circle represent those risks with a score decreased from their initial scoring, the remainder are the same as their initial score.

5 KEY RISKS / MATTERS FOR ESCALATION TO BOARD / COMMITTEE

5.1 The Committee is asked to note the changes in the risk profile during the reporting period as a result of the changes to the Corporate Register.

6 RECOMMENDATION

| | |
|---|---------------------------------|
| Recommendation | The Committee is being asked to |
| NOTE the status of the Corporate Risk Register. DISCUSS the Corporate Risks assigned to the Programmes Delivery Committee. | |

3.4 i Appendix A – Corporate Risk Register

Risk Matrix

| | | LIKELIHOOD | | | | |
|--------------|---------------------|-------------|-----------------|-----------------|---------------|--------------------------|
| | | RARE (1) | UNLIKELY (2) | POSSIBLE (3) | LIKELY (4) | ALMOST CERTAIN (5) |
| CONSEQUENCES | CATASTROPHIC (5) | 5 | 10 | 15 | 20 | 25 |

| Ref | Risk Type | Description | Opened date | Review date | Rating (initial) | Action Status (PLEASE NOTE THIS INCLUDES THE MOST RECENT UPDATES A FULL AUDIT IS AVAILABLE ON REQUIREMENT) | Rating (current) | Rating (Target) | Risk Owner | Trend | Committee Assignment | Primary Risk Domain | Strategic Mission |
|----------|-----------|--|-------------|-------------|------------------|--|------------------|-----------------|--------------------------------|-----------|-------------------------------|---------------------|---|
| DHCW0333 | Project | <p>WICIS Implementation Delay</p> <p>IF the planned Health Board implementation dates for WICIS are delayed THEN there may be increased costs due to delays and indexation, and the supplier and delivery partners may become less engaged RESULTING IN a funding shortfall, slower development and implementation, reduced value for money, and not meeting Programme objectives.</p> | 03/11/23 | 14/12/23 | 16 (4x4) | <p>AIM: Reduce likelihood</p> <p>FORWARD ACTION:</p> <p>Revised implementation plan has been shared with HBs directly as well as discussed in programme board. Financial concerns of continuing into 2025/26 logged and shared with Executive team. Working closely with system supplier to refine system to ensure it meets the requirements.</p> <p>ACTIONS TO DATE:</p> <p>14/12/23: Currently no revised agreed go-live date has been achieved with ABHB. ABHB are continuing with UAT with clinicians and pharmacists yet to complete this activity. To date over 250 issues have been logged on the DHCW UAT feedback form. CTM have not advised of their intentions to proceed and BCU have advised DHCW that due to financial concerns, they are not able to go-live as planned in Q2 2024/25.</p> <p>AB have advised that the go-live date of 20/11/23 is no longer achievable, following continuous refinements to the system resulting in them not being able to carry out local UAT as planned before go-live. Discussions taking place with AB to agree a revised go-live plan and go-live date. The suppliers have been made aware.</p> <p>In addition, CTM have advised they are not able to commit to the 3 go-live dates due to inability to complete local go-live dependencies. "</p> | 20 (4x5) | 8 (2x4) | Executive Director of Strategy | New Risk | Programmes Delivery Committee | Service Delivery | Mission 1 - Provide a platform for enabling digital transformation. |
| DHCW0331 | Finance | <p>Fixed term resource funding</p> <p>IF roles recruited into on a permanent basis (as a result of market conditions and responsive development during the pandemic) in order to meet delivery requirements are supported by time limited funding THEN once funding expires, material cost pressure will arise RESULTING IN Significant financial risk to DHCW meeting its statutory requirement to breakeven.</p> | 28/11/23 | 28/11/23 | 20 (4x5) | <p>AIM: Reduce Likelihood</p> <p>FORWARD ACTIONS: (INC DELIVERY DATE)</p> <p>Present concerns to executive Directors with a proposal outlining recommended actions.</p> <p>ACTIONS TO DATE:</p> <p>28/11/2023 Concerns around time limited funding and posts highlighted at Strategic resourcing group this is now included as an ongoing agenda item for discussion.</p> | 20 (4x5) | 4 (4x1) | Executive Director of Finance | Non mover | Audit & Assurance Committee | Financial | Mission 5 – Be the trusted partner |

3.4 i Appendix A – Corporate Risk Register

| Ref | Risk Type | Description | Opened date | Review date | Rating (initial) | Action Status (PLEASE NOTE THIS INCLUDES THE MOST RECENT UPDATES A FULL AUDIT IS AVAILABLE ON REQUIREMENT) | Rating (current) | Rating (Target) | Risk Owner | Trend | Committee Assignment | Primary Risk Domain | Strategic Mission |
|----------|-----------|--|-------------|-------------|------------------|---|------------------|-----------------|---|-----------|-----------------------------|---------------------|--|
| DHCW0316 | Finance | Technical Debt Accumulation IF DHCW is unable to reduce and/or prevent further accumulation of technical debt, THEN DHCW will be unable to embrace latest technologies and modernise working practices, RESULTING IN increasing challenges to deliver high quality digital services and meeting customer demands within reasonable timescales. | 19/04/23 | 28/12/23 | 16 (4x4) | <p>AIM: Reduce Likelihood</p> <p>FORWARD ACTIONS: Establish TDA to steer architecture development. Conduct DevOps maturity assessment Develop product-centric target operating model. Develop WPAS cloud migration roadmap. Establish cloud TCO model and develop business case.</p> <p>ACTIONS TO DATE: 28/12/2023 Initial feedback session delivered for WPAS Cloud Migration Roadmap. Awaiting final report to review recommendations. 05/12/2023 DevSecOps maturity work continues. Initial report from deep dives received. Awaiting final report to review recommendations. 26/10/2023. CLJ. TDA moved to early November. DevSecOps maturity work continues. Deep dives into 5 areas are being undertaken. Initial Economic Assessment (Microsoft Azure) completed. Working with 3rd party to review and assure/update this work.</p> | 16 (4x4) | 8 (4x2) | Executive Director of Operations | Non-Mover | Digital Governance & Safety | Financial | Mission 2 – Deliver high quality digital products and services |
| DHCW0329 | Finance | Choose Pharmacy – DHCW maintaining funding gap IF a sustained and appropriate level of funding for the support and development of the Choose Pharmacy application is not established THEN DHCW will need to continue to cover the additional costs of £515k PA for the provisions of the service, which is the current shortfall between Welsh Government annual funding (£415k) and the costs associated with the Choose Pharmacy service (£930k) RESULTING IN DHCW bearing a significant cost pressure of £515k PA for the provisions of the Choose Pharmacy service. | 07/02/23 | 05/12/23 | 16 (4x4) | <p>AIM: Establish a sustainable funding stream for the Choose Pharmacy Service, which reflects at minimum, the current costs associated with the delivery and development of the Choose service.</p> <p>FORWARD ACTIONS: Escalate the issues to DHCW executives for discussion and agreement on an appropriate level and source of funding.</p> <p>ACTIONS TO DATE: 05/12/2023 Following the transition of Choose Pharmacy Team to PCMH an options appraisal is underway to determine a sustainable funding model to develop and support the service.</p> <p>07/11/23: Update provided at RMG; Infrastructure teams are looking for possible cost avoidance measures such as move to Cloud. Further conversations are ongoing regarding funding options.</p> | 16 (4x4) | 6 (2x3) | Director of Primary, Community & Mental Health Digital Services | Non-Mover | Audit & Assurance | Financial | Mission 2 – Deliver high quality digital products and services |

The Welsh Intensive Care Information System (WICIS) Programme

January 2024

Overview: Background to WICIS

The overall aim of the project is to implement a **fully managed electronic solution**, capable of **replacing all paper charts** currently used for recording patient observations on **all Adult Intensive Care Units** across Wales. Providing a common user interface, which will significantly improve the collation and access to clinical information and real time data capture from bedside devices.

STRATEGIC DRIVER

Together for Health – A Delivery Plan for the Critically Ill provides a strategic framework for Local Health Boards. It sets out the Welsh Government’s expectations of NHS Wales in delivering high quality critical care, ensuring that the right patient has the right care at the right time. The Delivery Plan is split into five core themes as listed below along with a rationale for how the Welsh Intensive Care Information System supports this vision:

- **Delivering appropriate, effective ward-based care** – through the elimination of paper charts and manual observations, meaning less time collecting and accessing information and more time delivering care to patients.
- **Effective critical care provision and utilisation** – improving business intelligence, allowing for real-time or near-real-time reporting of key critical care statistics and by helping to support the reduction in variation across Wales by developing standard procedures through best practice.
- **Timely Admissions to Intensive Care** - through effective reporting and an overview of bed availability.
- **Timely Discharge from Intensive Care** – through improved monitoring of patients and increased data quality, meaning that clinicians are better able to plan and prepare for patients to be discharged.
- **Improving information and Research** - Improved data quality and automated reporting, as well as links to the national data warehouse mean that big data and deep learning techniques can be used to improve clinical practice.

Record patient assessments, manage prescriptions and drug administration, vital signs and fluid balance, acuity scores, support infection control, daily care plans

STATUS

- A contract was awarded for the development of a national critical care information system for NHS Wales which will develop and manage a clinical system over a seven-year period.
- The current focus will remain on continued engagement and involvement of the critical care community across Wales, who have been instrumental in informing the design and creation of standardised assessments and workflows to achieve our aim of reducing variations of care.
- Work is ongoing in terms of planning across NHS Wales.
- An agile, incremental delivery of development and testing has been adopted, which will ensure visibility of progress with tight monitoring and control of the timescales.
- Significant progress has been made to integrate a number of bedside devices to the central solution.

WICIS Programme to date

Following approval of the Business Case, the procurement of a Critical Care Information System commenced in May 2019. Following which, configuration workshops led by the National Clinical WICIS Lead took place between June 2020 and January 2021, enabling stakeholders from across NHS Wales to define at a greater level of detail how they expected the system to be configured to meet NHS Wales requirements, in alignment with contractual requirements. The system has been developed to date based on the requirements identified, has been tested nationally and an implementation plan to introduce the system across Wales is ongoing.

May 2019 – Nov 2019

The procurement of a critical care information system commenced in May 2019, following which the contract was awarded in November 2019 to implement WICIS across all adult critical care wards in Wales, agreed and signed off by Chief Executives.

Nov 2019 – May 2020

- Contract awarded and activities commenced between DHCW and system supplier to agree contractual requirements and timeframes.
- Additional project resources recruited to support development and implementation of WICIS.

June 2020 – Jan 2021

- Configuration workshops took place, supported by the WICIS National Clinical Lead and National Informatics Nurse, enabling stakeholders from all health boards across Wales to define and document the expectations of the system and development roadmaps, in line with contractual requirements

COVID pandemic caused delay to WICIS Implementation

Feb 2022 – Jan 2023

- Following agreement with the system supplier, a set of development drops were agreed to be implemented over time, through a change management process.
- Testing was hosted nationally, with all health boards invited to attend demonstrations and sign off.

Feb 2023 – Jul 2023

- Re-development of the system work took place, focused on display of authorised laboratory data and integration with Welsh Clinical Portal (WCP) for all remaining results. In addition, management of mis-file work was included to present to users any data that had been entered incorrectly and displayed appropriately.
- April 2023 – Change to National Clinical Lead

Aug 2023

- End to end workshops took place, hosted by DHCW, to demonstrate to stakeholders, development of the system to date, against contractual requirements, allowing users to see the system from admission through to discharge.
- SIT (System Integration Testing) & National UAT (User Acceptance Testing) was finalised based on contractual requirements agreed for the system

Sep 2023 – Oct 2023

- Health Boards informed unable to go-live as planned due to concerns relating to drug therapy module.
- Additional development drops were agreed to implement changes relating to national laboratory integration and refinements to the drug therapy and administration module, following feedback from users.

Nov 2023 – Dec 2023

- ABHB were scheduled to go-live in November 23, however due to refinements being made as a request following system review, the current go-live has been postponed and an agreement on a revised go-live date is to be scheduled.
- Local UAT commenced at ABHB allow the system to be tested locally and signed off.

January 2024

- ABHB continuing UAT of system.
- HB Chief Executives to advise on intention to proceed with WICIS
- High level approach drafted

Implementation delay due to concerns related to drug therapy module & laboratory integration

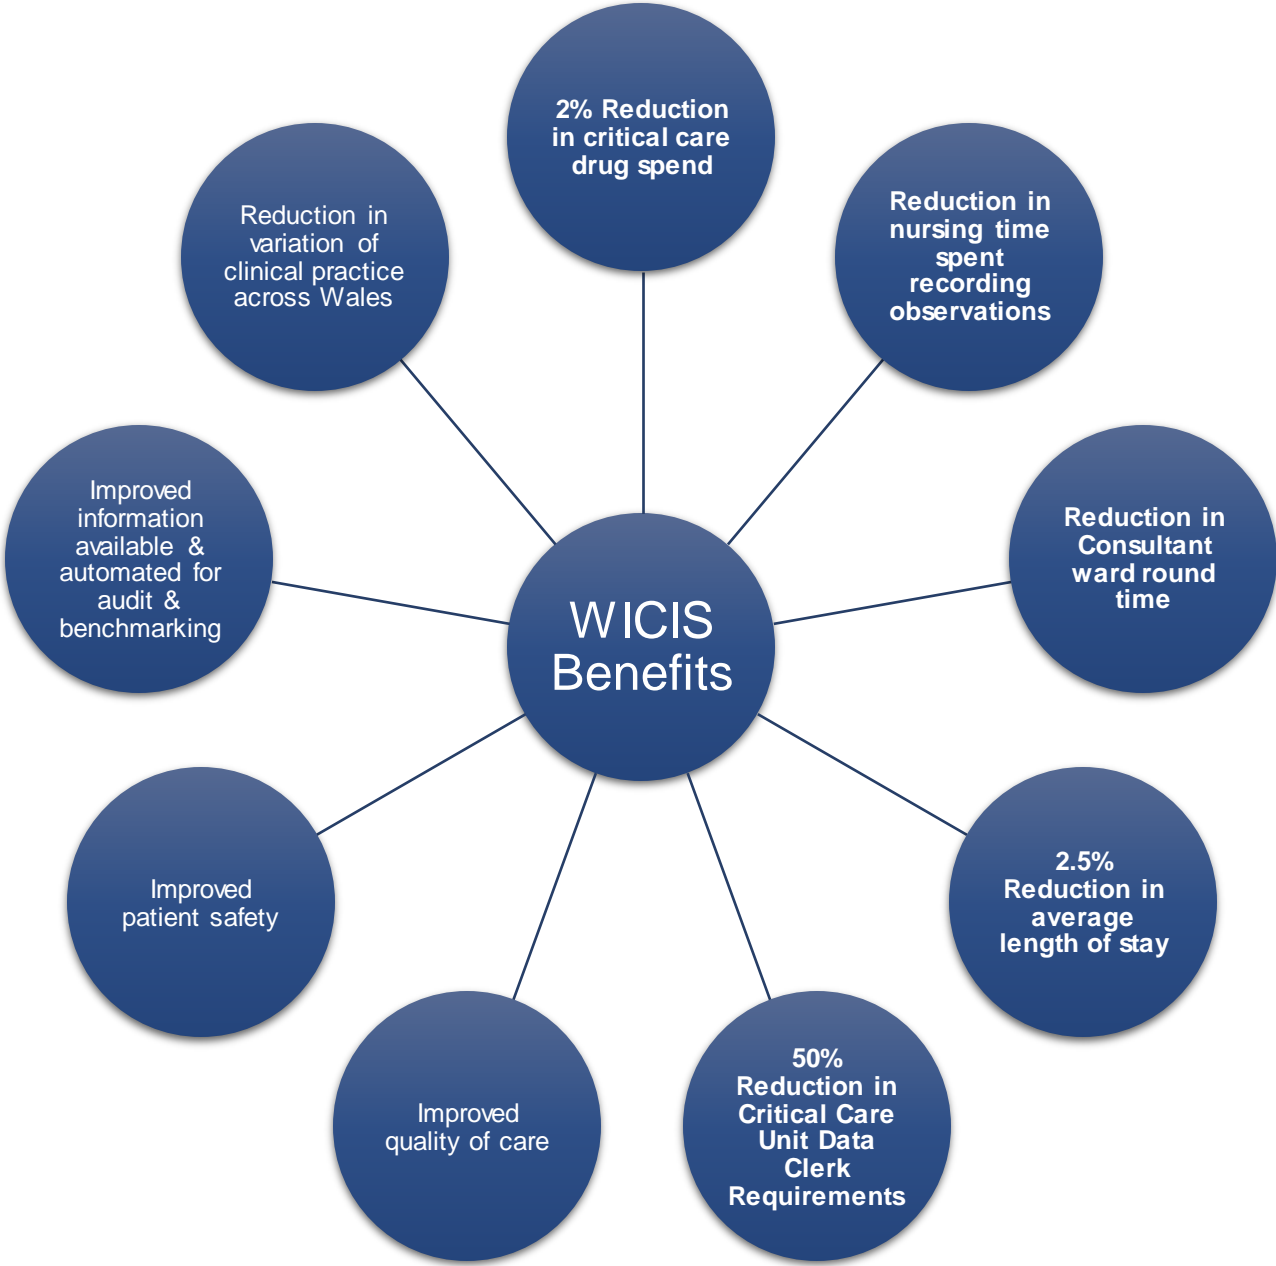

ABHB implementation delayed due to continued refinements and local UAT commencing

Benefits Realisation

Expected Benefits as set out in the Original Business Case (OBC) and Full Business Case (FBC).

Since the development of the OBC, the benefits associated with the procurement of the Critical Care Clinical Information System were re-assessed and additional benefits identified. Three additional benefits were identified for the purpose of the economic appraisal. Benefits identified are based on time and motion studies, cash releasing savings, reduction in clinical time, reduction in average patient stay within an adult intensive care unit and improved data analysis and reporting.

Five key benefits were included in the FBC with an expectation that health boards will realise these post go-live as well as demonstrating local benefits outcomes. Additionally, further benefits have been identified across NHS Wales and are due to be reported on once implementation begins.

Stakeholder Engagement & Resource

Clinical Support

- National Clinical Lead in post for WICIS
- Local Clinical Leads across all health boards funded to support implementation locally and inform wider stakeholder engagement
- Local WICIS Nurse Lead across all health boards funding to support implementation locally, inform wider stakeholder engagement and support users through the transition from paper to digital.

Project Management

- National WICIS Principal Project Manager & Project Team in post, providing national project support
- Health board funded project manager post available to support implementation locally and support wider stakeholder engagement

National Team

- National WICIS team in post to support multiple workstreams including development, architecture, testing, commercial, business change, pharmacy, service management etc.
- Ongoing engagement to inform stakeholder engagement and liaise with health boards

Requirements Gathering

- Requirements gathering received from Health Boards in order to build a digital clinical solution.
- Stakeholder engagement sessions taken place through various forms i.e. clinical reference group, mind-map sessions with all health boards involved.

Development

- Ten development drops completed, allowing the system to be developed over time in line with contractual requirements. Development drops demonstrated to stakeholders as they evolve.

Testing

- Testing hosted nationally by DHCW WICIS Team and demonstrated to health boards over time.
- Test scripts written and shared with health boards to use locally.
- UAT completed by Subject Matter Experts, supported by HB Leads.

Health Board order of proposed implementation

The 6 Health Boards across Wales who operate adult intensive care are included in scope for the implementation and delivery of the WICIS solution, providing a Once for Wales critical care clinical system. ABHB did not go live as planned in Nov 23 however the commitment is for all sites to be implemented by March 2025. Powys HB do **not** currently have any Adult ITU wards across their hospital sites.

The 6 Health Boards include 13 District General Hospitals, of which 3 sites have an existing alternative critical care information system, procured locally by the health board themselves.

Aneurin Bevan Health Board – 1 site:
30 beds

Swansea Bay Health Board – 1 site: 28
beds

Betsi Cadwaladr Health Board – 3 sites:
35 beds

Cardiff & Vale Health Board – 1 site: 38
beds

Hywel Dda Health Board – 4 sites: 29
beds

Cwm Taf Morgannwg Health Board – 3
sites: 29 beds

Welsh Intensive Care Information System (WICIS)

Owner: David Sheard

Assurance Highlight Report

Qtr. 3
23/24

The Welsh Intensive Care Information System (WICIS) will be a centralised national system to manage all adult critical care units providing a standardised approach to critical care across Wales. The system will be replacing all current paper records and other current critical care clinical information systems ensuring that the full patient record can be managed in one place.

| Overall RAG | Timelines | Scope | Resources |
|---|--|---|---|
| Due to refinements being made within the system, particularly focused around the drug therapy and administration module, Aneurin Bevan Health Board (ABHB) go live at Grange Hospital, rescheduled for 20th Nov 2023 has been postponed to allow ABHB to carry out and complete local user acceptance testing. In addition, the final week of training at ABHB has been put on hold until testing is signed off and accepted locally, | As the implementation has been delayed in ABHB, no revised go live date has been agreed currently. Cwm Taf Morgannwg (CTM) health board has advised that they will not go live as planned in Jan 2024, impacting the overall completion date of the project. Additionally, due to finance issues, Betsi Cadwaladr (BCU) health board have indicated they are not able to go live in 2024/25 with ongoing discussions taking place. All health boards are required to go-live by Mar 25 due to availability of funds. | As refinements have been made within the system, additional change requests may be required in order for user acceptance testing to be signed off. Validation testing between 'production' and user acceptance testing environments have been affected due to changes being made since validation testing commenced. Additional validation testing may be required once local and national testing is complete. | As the project has not commenced go-live as planned and an extension to project workstreams, ie validation, staff are required to support the project further than expected. Additional resources may be identified once implementation begins including pharmacy resources to maintain the drug dictionary and business change to support go live readiness activities with health boards. Additionally, the completion date of the project to be live across all health boards as expected, may need to be extended if health boards cannot meet dates. |

| Progress Since Last Reporting Period | Planned work for Next Reporting Period |
|--------------------------------------|--|
|--------------------------------------|--|

- | | |
|--|--|
| <ul style="list-style-type: none">- Escalation to health board Chief Executives for confirmation of planned timescales for implementation within 2024/25 due to availability of funding- Readiness payment agreement with system supplier- ABHB commenced and continuing with local testing and patient safety review of application- Completion of penetration testing- Swansea Bay (SBU) HB commenced local testing- Implementation readiness activities commenced with Swansea Bay and Cardiff and Vale (CAV) health boards- ABHB reviewed training requirements in preparation for go-live | <ul style="list-style-type: none">- Escalation to health board Chief Executives for confirmation of planned timescales for implementation within 2024/25 due to availability of funding- Agreement from health boards on revised implementation dates to be agreed- Discussions with health boards and system supplier on potential streamlining of system- ABHB completion of testing- SBU completion of testing- Discussions and agreements on training requirements- DHCW Business Change visits to SBU and CAV health boards |
|--|--|

| Key Risks and Issues | Mitigation/Resolution |
|----------------------|-----------------------|
|----------------------|-----------------------|

| | |
|--|---|
| DHCW0333 IF the planned Health Board implementation dates for WICIS are delayed THEN there may be increased costs due to delays and indexation, and the supplier and delivery partners may become less engaged RESULTING IN a funding shortfall, slower development and implementation, reduced value for money, and not meeting programme objectives. | Escalation to health board Chief Executives for health boards intention to go-live with WICIS within 2024/25 due to availability of funding |
|--|---|

| Finances £000s | Escalations |
|----------------|-------------|
|----------------|-------------|

| WICIS | Capital £K | Revenue £K | Total |
|-----------------|------------|------------|-------|
| Annual Budget | 4,707 | 570 | 5,277 |
| Annual Forecast | 5,241 | 408 | 5,649 |
| Spend to Date | 2,428 | 273 | 2,701 |

Current Key Risks

| | | |
|-------------------------------------|--|---|
| DELAYED IMPLEMENTATION DATES | IF the implementation dates are delayed, THEN there may be increased costs due to delay in completion and indexation rates, RESULTING in funding short-fall and system supplier losing confidence. | Health board Chief Execs have been briefed and requested to respond to request to advise of intention to proceed by 19/01/24 so that a revised implementation plan can be drafted and agreed. |
| AVAILABILITY OF RESOURCES | IF no additional funding is identified to support changes caused by delay in start of implementation, inc staff on fixed-term contracts, THEN there is a risk that certain project work cannot continue or be finalised. | Awaiting confirmation from health boards on willingness to proceed so that a timeline and plan can be drafted and presented. |
| DCT2 MOVE | DHCW are currently undergoing a data centre move, affecting the hosting of the datacentre for WICIS, which may impact the overall timescales for WICIS if the dates for the move impact an implementation date. | Working with DCT2 team to agree timescales for move to reduce impact to implementation dates. |

ISSUES

We currently have issues with UAT feedback queries submitted by health boards as they carry out testing locally. Some feedback to date has been due to lack of understanding of the system. Suggestion to introduce DHCW Business Change team into ITU wards as early as possible to build knowledge and consider creating Standard Operating Procedures to implement once live.

CHALLENGES

If ALL health boards respond to the request that they intend on going live as planned before March 2025, a robust implementation plan will need to be considered, to rollout WICIS across all 13 sites in a short timeframe. Additional resources and a change in training approach may need to be considered.

LESSONS LEARNT

Since the procurement began, over-time the system has been developed and has grown in its development. User requirements have continued to expand as more people become involved resulting in a wider scope and expectation of the system. The system has been over-configured and feedback has been that the system is complex and requires simplifying.

High Level Approach

from Development through to Implementation

Solution

National clinical lead to work with HB clinical leads and system supplier to streamline the solution, agreed on a national approach.

Health Boards to suggest simplistic changes to system navigation.

Demonstrate options through workshops.

Governance

Agree change management process, governance structure and roles and responsibilities of stakeholders.

Implementation

Following responses back from health boards on their intentions to implement WICIS before March 2025, implementation workshops to be held to discuss revised rollout order and coordination and management of system training and business change support.

Feedback from users is that the system requires streamlining to make navigation simpler and more user-friendly. Work is ongoing between NHS Wales and the system supplier to review what refinements can be made in order to achieve an effective go-live. Changes will be made on a national level following a robust change management process.

3 SITUATION / BACKGROUND

- 3.1 On 1st April 2019, Welsh Government transferred responsibility for health services in Bridgend from Abertawe Bro Morgannwg University Health Board to Cwm Taf University Health board.
- 3.2 As part of this process the organisations were renamed to Swansea Bay (SB) and Cwm Taf Morgannwg (CTM) University Health boards
- 3.3 At the time of the boundary change, SLA arrangements were agreed between the health boards to permit CTM to use the SB IT services to manage Bridgend patients while addressing the transition of services.
- 3.4 Multiple systems are impacted by the boundary change including both national and local systems. The primary system in enabling the transition is the Welsh Patient Administration System (WPAS).
- 3.5 DHCW is currently working with the affected health boards to undertake the migration of records relating to Bridgend patients from the Swansea Bay instance of WPAS to the Cwm Taf Morgannwg instance.

4 SPECIFIC MATTERS FOR CONSIDERATION BY THIS MEETING (ASSESSMENT)

- 4.1 The Programmes Delivery Committee is asked to note the Transition Programme assurance update and status, in particular:
- This is a CTM-led project, to which DHCW is a contributor.
 - Significant data migration is required to move patient records from Swansea Bay to Cwm Taf Morgannwg – safeguarding data quality is paramount consideration.
 - Assuring all systems manage the change in patient records correctly is a major undertaking.
 - DPIF funding is available for the WPAS aspects of this work until March 2025.
 - The projected project timeline currently estimates completion in May 2025.
 - An assessment of impact on other national systems is currently underway and is expected to complete in February 2024.
 - Health boards are managing concurrent national programmes e.g. RISP (radiology information system programme), LIMS2.0 (laboratory information management system) and EPMA (electronic prescribing and medicines administration).

5 KEY RISKS / MATTERS FOR ESCALATION TO BOARD / COMMITTEE

- 5.1 Projected project timeline currently estimates completion in May 2025; however funding is only until March 2025.
- 5.2 A safe and secure test environment is required to enable appropriate quality assurance of data migration activity. Currently there is no funding for this test environment.
- 5.3 No funding for national systems other than WPAS (Welsh Patient Administration System).
- 5.4 This is a complex data migration programme, requiring the movement of a high volume of records between systems, involving multiple stakeholders and impacting a large number of integrated services. There are risks to delivery costs and timelines inherent in this, and also to service performance, which are being managed closely through the programme.

6 RECOMMENDATION

| | |
|-----------------------|---------------------------------|
| Recommendation | The Committee is being asked to |

CTM-Bridgend Transition

Welsh Patient Administration System
(WPAS) and CTM-Bridgend Transition
Projects

Introduction

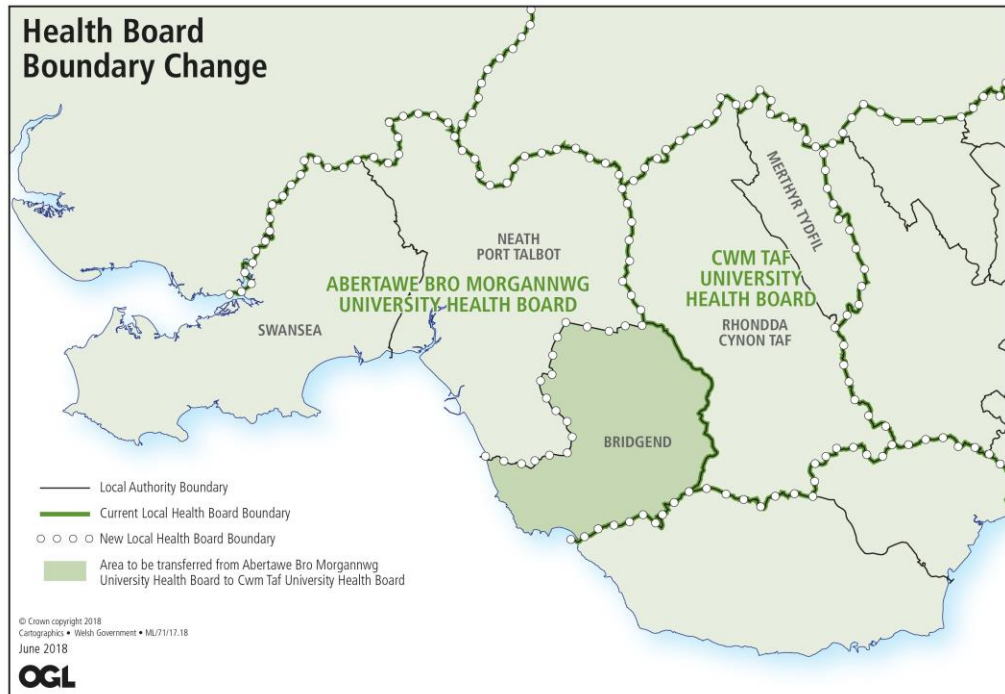

What is a PAS?

- A Patient Administration System (PAS) is a computerized system used in healthcare organisations to manage patient data. The system is used to track patient demographics, medical records, and financial information. The PAS is also used to schedule appointments, manage hospital beds, and manage outpatient and inpatient care episodes.

What is WPAS?

- The Welsh Patient Administration System (WPAS) is a DHCW-built national system used in all health boards except Cardiff and Vale University health board.
- WPAS is a critical system to the health boards, as it helps to ensure the accuracy and completeness of patient data. The system also helps to streamline the workflow of the organisation, and to improve the efficiency of care delivery.
- WPAS is integrated with other healthcare information systems both nationally (including but not limited to RadIS, WLIMS, WCP) and locally. The integration of these systems allows for the sharing of data within and across health boards.

Background

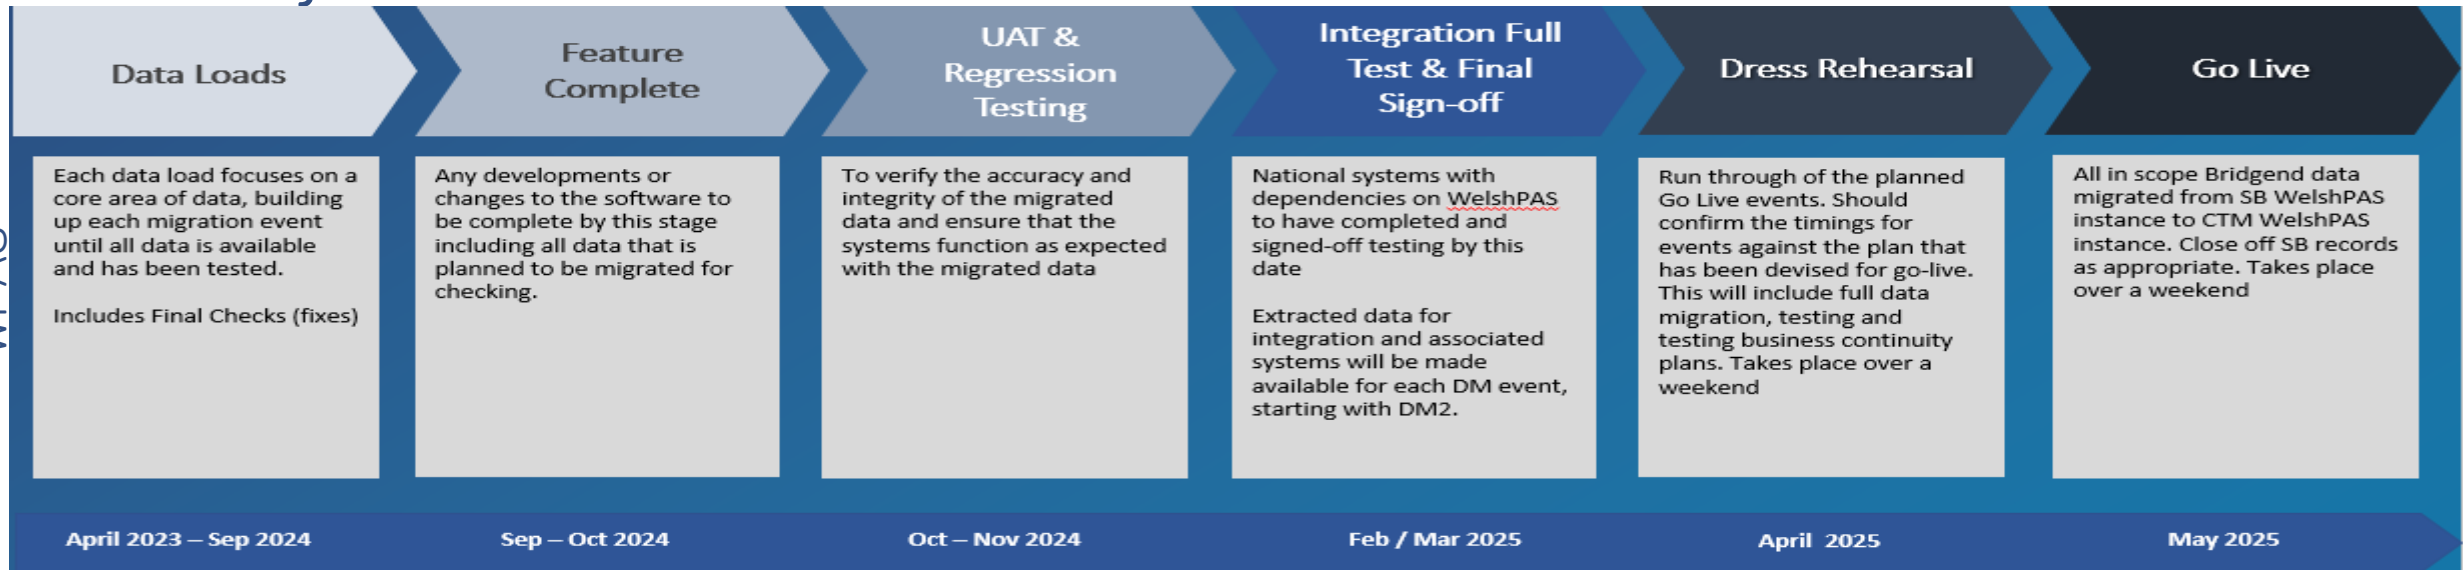

- On 1st April 2019, Welsh Government transferred responsibility for health services in Bridgend from Abertawe Bro Morgannwg University Health board to Cwm Taf University Health board.
- These health boards were renamed to Swansea Bay (SB) and Cwm Taf Morgannwg (CTM) University health boards (UHB).
- SLA arrangements agreed between the health boards to permit CTM to use the SB IT services to manage Bridgend patients while addressing the transition of services.
- The primary system in enabling the transition is WPAS.

Project considerations

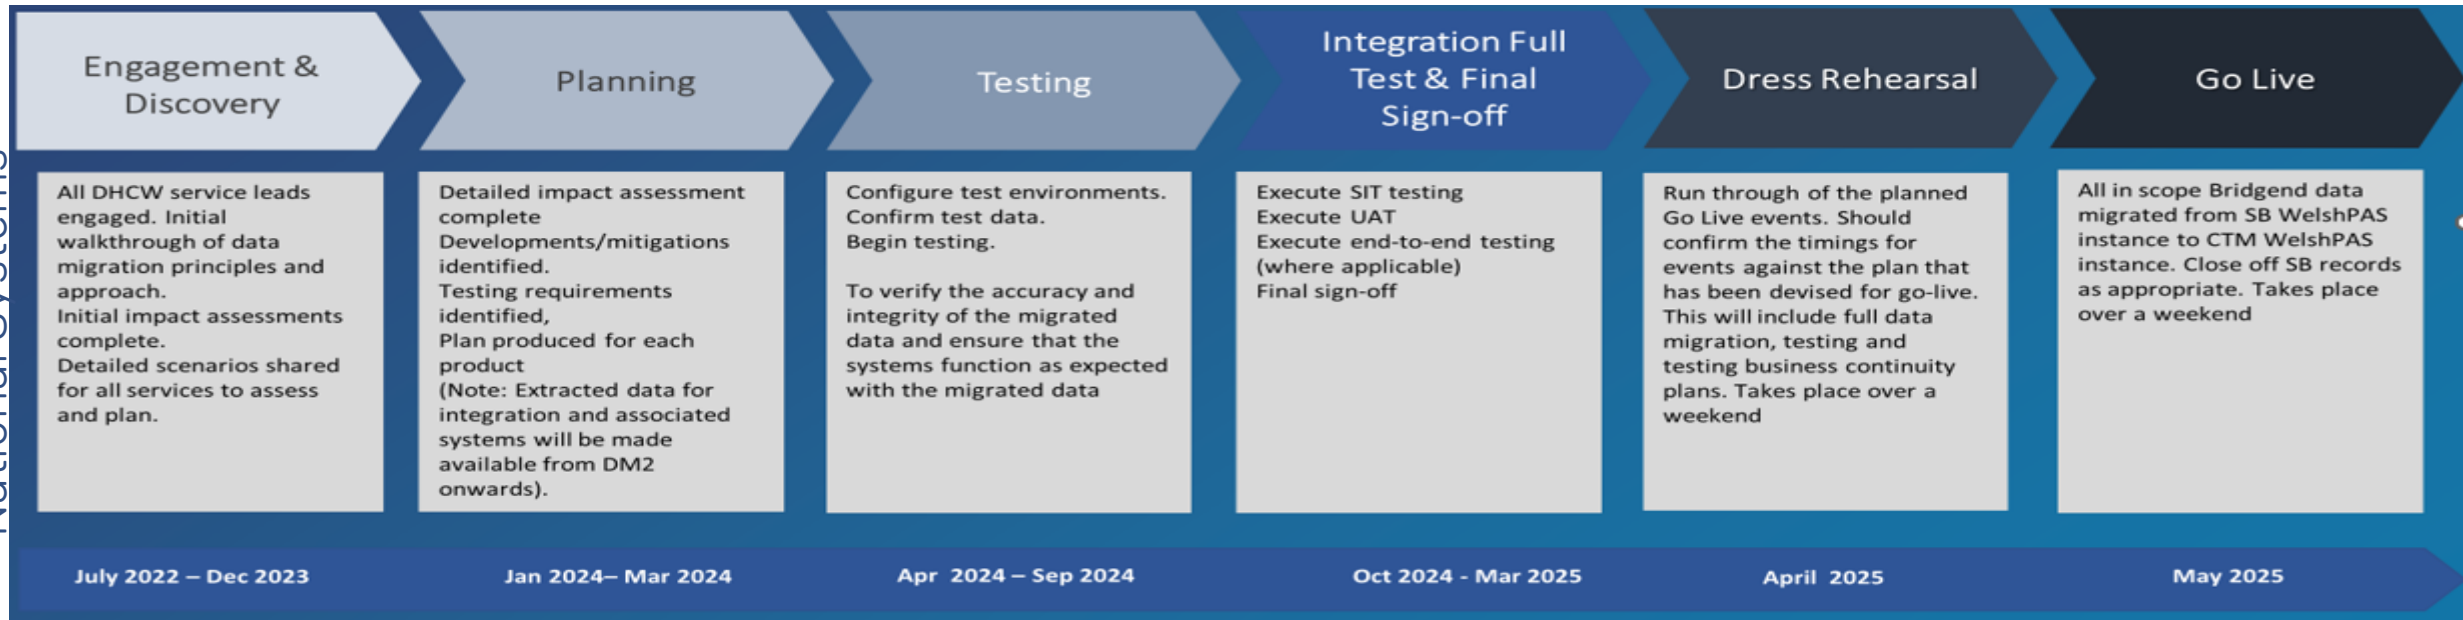

- This is a CTM project to which DHCW is a contributor
- DHCW has DPIF funding for a range of WPAS activities, including overall PAS improvement – Velindre University NHS Trust implementation, Betsi Cadwaladr University health board merger to single instance and the CTM Bridgend Transition.
- Multiple systems are impacted by the Bridgend boundary change including both national and local systems.
- CTM have an SLA arrangement with SBUHB to permit the use of their systems for managing CTM patients until the programme completes the transfer.
- CTM have created and managed approximately 500K patient records in the SBUHB PAS.
- These CTM patient records will need to be identified and transferred to the CTM PAS.
- Only the CTM records are to be transferred. If there is genuine SB activity on the patient PAS record, these activities will remain in the SB PAS
- The transfer of records between the PAS systems will change the patient identifying references with only the patient's NHS number remaining constant.

Project timelines

WPAS

National Systems

Risks and Opportunities

- DPIF funding covers WPAS activities. Impact assessment of work required to the national systems outside PAS currently underway
- There is a requirement for a secure test environment to enable the QA of data transfer between PAS systems
- Both SB and CTM are also part of the RISP and LIMS2.0 programmes which run concurrently with the boundary change transition work.
- DPIF Funding available until March 2025
- Technical architecture review of WPAS underway
