					Industry Dinner on 24 November 2022.				
					techUK is the trade association which brings together people, companies and organisations to realise the positive outcomes of digital technology. We create a network for innovation and collaboration across business, government, and stakeholders to provide a better future for people, society, the economy and the planet. Over 700,000 employees are represented across our membership, covering the whole of the digital economy.				
					The techUK Health and Social Care Industry Dinner is the highlight of the industry's calendar, bringing together over 250 senior technology, government, and wider industry stakeholders. With many members also inviting their customers as guests, the event is a much-anticipated networking opportunity for the UK's health	Yes	21/10/2022 12:48	21/10/2022 12:48	Laura Tolley (DHCW - Corporate Governance)
